

FIRE STONE WOOD FIRE

Your proud of what you've done inside your home to make it a warm, inviting place for family and friends. Fire Stone will help you be just as proud of your living space outside. If you like the idea of gathering around a crackling blaze you built yourself, you'll love our Wood Fire 36 model or its somewhat larger cousin, the Wood Fire 42. Want the same ambiance at the touch of a finger? Each can be converted to gas by adding our outdoor gas log sets.

The Wood Fire Features

- Weather resistant stainless steel construction.
- Realistic herringbone brick refractory.
- Smoke free - no messy ashes.
- Optional bi-fold glass doors, stainless steel weather cover and UL gas logs.
- Gas access on both sides of fireplace.
- Patented technology - UL listed.
- 3 year structural/finish warranty.
- Firebox constructed with stainless steel
